Tranmere Room

We have recently decorated one of our conference rooms & would like to let everyone know in the local community that this room is now available to hire out. If you are looking to arrange some training for your organisation or arrange a meeting for a new business then the Tranmere Room would be an ideal venue. Refreshments & special requirements can be catered for.

Please contact our Front of House Team on 0151 644 4500 for details or call in to reception & have a chat to staff.
